MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to send greetings for Harmony of Earth Village, the first choral festival hosted by the Calgary Zhi-Yin Choir Society.

Music is a universal language that both entertains and inspires, sharing culture and telling our stories. When voices join together, it reminds us of the beauty of collaboration and unity – something we can see every day in neighbourhoods across our diverse province and country. I hope this event is a welcome opportunity for the participating choirs to connect with each other as musicians as you share your talents with grateful audiences.

Thank you to leaders and members of the Calgary Zhi-Yin Choir Society for your commitment to preserving and promoting Chinese arts through choral music. I deeply appreciate the contributions of the Chinese community to making Alberta one of the best places in the world to live, work and thrive.

Please accept my very best wishes for a successful and harmonious festival!

A blue ink signature of Danielle Smith.
